

Sermon Preparation in Action

Accordance Webinar Outline
with Abram Kielsmeier-Jones

1. Decide what to preach on (with some help from Accordance).

2. Work through your Bible text(s), with verse-specific User Notes.

3. Do original language work and/or word studies, as applicable.

4. Read through your Accordance commentaries, taking notes along the way.

Via saved Workspace.

Via Info Pane.

Take notes on commentaries and access them later, or just copy-paste into User Notes.

5. Make use of Tools (dictionaries, books, and more).

Via saved Workspace and modules.

Via Research in Accordance 11.

6. Find illustrations.

Via saved Workspace and modules.

Via Research.

Storing and accessing your own illustrations.

7. Icing on the cake: Explore graphics and images.

8. For weeks when time is tight: Set up a quick-reference, stripped-down Workspace.

9. Write the sermon.
